

# Engineering **R**'Future

November 4, 2017 9AM-3:30PM

Society of Women Engineers @ UCR

The Society of Women Engineers at UC Riverside is hosting a wonderful STEM event for HIGH SCHOOL WOMEN interested in the field of engineering. This event is free to all participants and will take place on the UC Riverside campus where we will be extensively explaining AND demonstrating each engineering major to provide a first-hand educational insight! Students will enjoy a variety of events aimed towards the different engineering fields where they will be exposed to the many opportunities UC Riverside has to offer.

**SIGN UP ON OUR EVENTBRITE TODAY!!!**
