**C. Tom Stahovich- Approval of CS 030**

-Tom's recollection of the last meeting's discussion regarding CS 030 was that the committee decided Mart Molle and Tom would meet to discuss the overlap between CS 030 and the ME courses before CS 030 would be approved. Tom and Mart had not met, and the course has already been approved. Tom would like to add discussion of the approval of CS 030 to the next Executive Committee meeting agenda.
